JOB ADVERT: MARINE CONSULTANT WITH EIA, ECO AND/OR AQUACULTURE EXPERIENCE

Anchor Environmental Consultants is a consulting firm based in Tokai, Cape Town. We provide expertise in ecology, ecosystem services and environmental economics across marine, estuarine, freshwater, and terrestrial environments. Our services range from ecological and socio-economic research to specialist studies, ecosystem valuations, conservation planning, EIAs, Environmental Monitoring Programmes and Management Plans.

Anchor is seeking a talented and enthusiastic individual with aquaculture and EIA, marine impact assessment or ECO experience to join our Marine Resources Group starting on 1 July 2024 or as soon as possible. The role involves participation in marine systems research and management (specifically aquaculture projects), support of the Environmental Impact Assessment team and support of the ECO team. We are looking for someone with diverse interests, a desire to learn new skills, the ability to work within a multidisciplinary team, while also being able to work independently.

The ideal candidate should meet the following minimum requirements:

- At minimum an Honours degree (e.g. BSc Hons.) in a Natural Sciences or Life Sciences discipline (an MSc would be advantageous);
- At minimum a Candidate Natural Scientist with SACNASP in a Natural Sciences discipline;
- Excellent spoken and written English, project management skills, technical writing skills and attention to detail;
- Experience in conducting EIAs or as an Environmental Control Officer (ECO) in a marine field, (preferably aquaculture);
- Excellent interpersonal skills, including confident communication in public settings and facilitating stakeholder engagement; and
- Computer proficiency, specifically in MS Word and Excel.
- Ship-going experience would be advantageous.

Please send a cover letter outlining how you meet the requirements and can fulfil the technical capabilities, along with your CV and the details of at least three referees, to admin@anchorenvironmental.co.za.

The application process will remain open until the position is filled (visit our website for updates). Only shortlisted candidates will be contacted.
